EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows: In claim 8, line 1, "it" has been changed to --the axle--.

2. The following is an examiner's statement of reasons for allowance: Prior art neither shows nor teaches a twist-beam axle as claimed in claim 1 comprising a central cross-member and a pair of trailing arms, wherein each trailing arm comprises a pair of front and rear transversely inner half-shells fixed to the respective side end portion of the cross-member and a transversely outer half-shell securely connected to the inner half-shells, characterized in that the inner half-shells are separate components from the cross-member. Prior art also fails to show or teach a method for the production of a twist-beam axle for the rear suspension of a motor vehicle, comprising the steps of providing a cross-member having side end portions adapted to engage a pair of trailing arms; providing, a pair of front and rear transversely inner half-shells adapted to be securely connected to each other and to the side end portion of the cross-member, and a transversely outer half-shell adapted to be securely connected to the pair of transversely inner half-shells so as to form therewith a rigid body of closed cross-section; securely connecting the pairs of transversely inner half-shells onto the

respective side end portions of the cross-member; and securely connecting the transversely outer half-shells onto the respective pairs of transversely inner half-shells.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

* Note that Applicant did not provide copies of the foreign references. The examiner has provided copies for all but EP 0713791. The examiner cited the US equivalent (US 6,099,084) to EP 0713791.
